Quarterly Report

Sales grew by **18 percent** in the third quarter, led by strong demand in Oman and the United Arab Emirates. The company opened two new branches and hired forty people across operations, finance and customer service.

Operating costs stayed flat thanks to the new procurement process, and cash reserves reached a record level at the end of September.

Outlook

We expect growth to continue into the fourth quarter as the new branches mature and seasonal demand rises.

ملخص باللغة العربية

نمت المبيعات بنسبة ثمانية عشر بالمائة في الربع الثالث، بقيادة الطلب القوي في سلطنة عمان والإمارات العربية المتحدة. وافتتحت الشركة فرعين جديدين.
